GIVE A RIOJA WINE SELF-CARE PACKAGE

Give the someone you love some well-deserved self-care. Create a Rioja Package for a cozy night in with a soft throw, some soft slippers, a good book, and a bottle of their favorite Rioja white. Or create a package that allows them to take some me-time while soaking in a bath with some bubbles, chocolates, scented holiday candles, a wine tumbler, and a lovely Rioja red. Whatever you choose to put in your gift, they're sure to uncork, unwind and enjoy.
